Silicone Grips

Introducing our Silicone Grips – the perfect blend of style and functionality to elevate your custom socks. Choose a standard shape to add a touch of personality to your sock designs or take it a step further with custom shapes. Custom shapes require a dedicated mold and an associated mold charge, and will be crafted to your unique specifications.

For pricing on our custom options, reach out to our dedicated team for a quote.

Production Time: Add 1 Week For Standard Shapes To Sock Production Time

Custom Shapes: Additional 5 days Upon Mold Approval

ART & DESIGN GUIDELINES

- Up to 6 Pantone matched yarn colors per design. For designs with more than 6 colors, we have the solution with our Tru Colour option.
- Heel and Cuff must be solid colors. Each can be a different color. Logos CANNOT be knit on the heel or cuff. Designs, logos can be knit on the toe area. BOLD letters and or numbers can be knit into the cuff.
- There are limitations to how detailed your knit design can get. Due to the nature of knit-in designs, very small and complex logos/designs may not be suitable for custom knit socks. Please feel free to submit your mock-up for review.
- Vector art is required in PDF or .AI format with all fonts converted to outlines. PSD, JPEG, and TIFF files are not accepted.
- Designs must be submitted on our template.
