## Silicone Grips

Introducing our Silicone Grips - the perfect blend of style and functionality to elevate your custom socks. Choose a standard shape to add a touch of personality to your sock designs or take it a step further with custom shapes. Custom shapes require a dedicated mold and an associated mold charge, and will be crafted to your unique specifications.

For pricing on our custom options, reach out to our dedicated team for a quote.

**Production Time:** Add 1 Week For Standard Shapes To Sock Production Time

**Custom Shapes:** Additional 5 days Upon Mold Approval

Pricing in \$USD

## ART & DESIGN GUIDELINES

- Up to 6 Pantone matched yarn colors per design. For designs with more than 6 colors, we have the solution with our Tru Colour option.
- Toe, heel, and cuff must be solid colors and can each be a different color. Logos CANNOT be placed on the toe, heel, or cuff.
- There are limitations to how detailed your knit design can get. Due to the nature of knit-in designs, very small and complex logos/designs may not be suitable for custom knit socks. Please feel free to submit your mock-up for review.
- Vector art is required in PDF or .AI format with all fonts converted to outlines. PSD, JPEG, and TIFF files are not accepted.
- Designs must be submitted on our template.
